Fall 2018 - Session I

09/10/18 - 11/10/18

## Welcome to all new & returning students!

Bright Raven coaches are excited about the new season and hope all of you are also. There is so much that can be learned and accomplished when everyone works together!

Try to arrive early for class (about 5-10 minutes). This will give you time to take care of any necessary things that need to be taken care of BEFORE class. Hang

your street clothes on a hook and/or find a cubby for your shoes. Please wait quietly in the front of gym before your class begins. Remember... when most of you arrive, a class is already in progress. Your coaches will come to the front of the gym to call your class to line up when it is time for your class to begin.

## Please Be Prepared for Class

**For boys:** gym shorts and a tucked in t-shirt is considered appropriate attire. Please do not wear shorts with belts or zippers. **For girls:** a one-piece body suit is required. Leotards with skirts or tutus are not appropriate. Bike shorts, gym shorts or leggings are optional. Nothing should be worn on the feet. Long hair

must be pulled back (even long bangs). Jewelry is not permitted with the exception of small post earrings, if you have pierced ears. We cannot be responsible for articles taken off and left in the gym. Therefore, it is always best to leave all jewelry home.

**And don't forget to “Like” us to stay informed!** Stay up to date with what is happening at Bright Raven! We periodically post news on Facebook!

## Session I: September 10—November 10

We have no days off this session. **Yes... Classes will be held on Columbus Day and Veterans Day.**

Bright Raven will be handing out magnets listing all scheduled holidays/vacations. Be sure you get one and place it somewhere for a handy reference.

## Observation Policy

Parents are welcome to observe at their convenience from windows located in the hallways or waiting room. Parents are not allowed in the gym during their child's class time. We ask just two important things of all parents in regards to observation...

⇒ **Be Discrete.** The children can see you just as well as you can see them, especially when you stand close to the glass. If your child does notice you, please step away for a while. It is important that your children are focused on what they are doing in class.

⇒ **Try to limit your observations to a few times each 9-week session.** We do not have room for all parents to observe on a regular basis. Also, even though you may try to be discreet, you are probably not being as successful as you intend. Continual distraction hinders the class as a whole, not just the progress of your child.

Thank you.

### Dropping Off...

**Before Class:** Please park your car and walk with your child into the gym. If you arrive early, please WAIT QUIETLY at the front of the gym for your coach to call your class. The noise level in the gym can get quite high when we have a lot of people in the gym. This is especially a problem when one class is arriving while another class is still on the floor. Please be respectful of the class that is already under way and wait quietly! Parents... please do not leave little ones unattended before class. Please wait with them until the coach calls their class. No one is permitted on any equipment or on the blue floor before class.

### Picking Up.....

**After Class:** Please park your car in a parking space and come inside the gym to pick up your child. Please do not wait outside in the car for your child to come out alone. We ask that all gymnasts wait inside the building for their parents. **Gymnasts are not to leave the gym unattended.**

We also ask parents that arrive more than 5 minutes early to pick up their children, to wait in the waiting room or hallway until it is time for their child's class to be dismissed. It can become disruptive to classes when the noise level increases at the front of the gym. We really appreciate your cooperation! Thank you!

**PLEASE PARK YOUR CAR IN A PARKING SPACE. PLEASE DO NOT LEAVE CARS DOUBLE PARKED AND UNATTENDED! AND NEVER PARK ILLEGALLY IN THE HANDICAPPED PARKING SPACES— NOT EVEN FOR A MINUTE! YOU WILL BE TOWED. THANK YOU!**

**Session II: Mon., Nov. 12 through Sat., February 2**  
**Pre-registration Deadline: October 27**

Your space in class is reserved until the Pre-registration Deadline. After October 27, registration will accepted on a first come - first serve basis. Session II is extended over a 12-week period to allow for the Thanksgiving, Christmas and New Years holidays. Please mark your calendar and don't miss this deadline.
