### New 6 Week Raven Warriors Course begins December 10th!

Due to popular demand—We are adding an additional Scouts Class!

**Wednesday 4:15 to 5:15 pm Scouts (Ages 6—8)**

Current Warriors that wish to continue, should submit payment for the upcoming 6-week session by Dec. 1st.  
We have athletes waiting to join.

### It's our time to help Santa again!

Once again we are asking all Bright Raven families to work together to help make the holidays brighter for families in suffering hardships. We will be asking you to contribute in any way you can. Please take a card off our tree at the front of the gym and bring the much needed items in by December 18. Your generosity during the holiday can really make a difference!

## Parent Observation

Parents are welcome to observe at their convenience from windows located in the parent waiting room or the hallways. We ask parents to PLEASE not remain the main gym once your child begins their class or enter other work-out areas during their child's class time.

The next time you are at the gym — Find Bright Raven Gymnastics on Facebook. "Like" us to stay informed and "Check In" to be placed in a monthly drawing! Winner will receive a \$35 certificate good towards merchandise sold at the gym or future tuition.

September Winner—Veronica Walker-Breedlove

October Winner—Danielle D'Anunzio

## Second Installments are due Saturday, December 8th

Second Installments received after December 15th must include the \$5 late fee. Individuals electing to pay in installments are responsible for the second installment regardless of actual attendance.

## Please be Prepared for Class!

**Jewelry:** Jewelry is not permitted in the gym. Please, no necklaces, bracelets or rings. We do, however, allow small post earrings but nothing that hangs below the earlobe. No hoops or dangles.

**Hair:** Gymnasts must have hair pulled back. Snap clips usually work well for long bangs or shorter hair around the face that won't stay back with the rest of the hair pulled back in pony tail(s).

**Attire:** **Girls** must wear a one piece body suit. Two piece outfits and leotards with attached skirts or tutus are not appropriate. Stretchy shorts, footless tights or capris are acceptable. Nothing should be worn on the feet (prevents slipping).

**Boys** should wear gym shorts and t-shirt.

**To Our Younger Gymnasts:** Be sure all bathroom needs are taken care of **before** class. Leaving the gym during class often triggers a monkey see-monkey do reaction which takes away from valuable class time.

## Session III: February 4—April 6

## Pre-registration Deadline: Jan. 19

Your space in class is reserved until the Pre-registration Deadline. After Jan. 19 registrations will be accepted on a first come-first serve basis. **Please do not miss this deadline.** It is our way of knowing if you are planning to return to the same class. Many individuals want or need to switch times or classes. Some classes already have new students waiting to get in to Session III classes. **Mark your calendar now!**

## Snow Days—Extremely Bad Weather Gym Phone: 247-0800

In the event of poor weather, **you can check Facebook, Spectrum News** or you may call the gym to find out if classes are cancelled. There will be a recording on the machine. In the event that classes must be cancelled, a make-up class time will be offered.

Morning & Afternoon Classes:

Call 1 hour prior to class

Evening Classes:

Call after 2:30 pm

## Dropping Off...

**Before Class:** If you arrive early, please WAIT QUIETLY for your coach to call your class. The noise level can get quite high when we have a lot of people in the gym. This is especially a problem when one class is arriving while another class is still on the floor. Please be respectful of the class that is already under way and wait quietly!

**Parents...** please do not leave little ones unattended before class. Please wait with them until the coach calls their class. No one is permitted on any equipment or on the blue or grey floor before class.

## Picking Up.....

**After Class:** We ask that all gymnasts wait inside the building for their parents. **Gymnasts are not to leave the gym unattended.** We ask parents, please safely park your car and come in to get your children.

We also ask parents that arrive more than a few minutes early to pick up their children, to wait in the waiting room or hallway for their child's class to be dismissed.

Your cooperation is greatly appreciated. THANK YOU.

**As a safety precaution and courtesy to all.... Please do not leave cars double parked and unattended in the parking lot when dropping off or picking up your children. Thank You.**
